

# SPENCE-CHAPIN

## Parenting Adopted Teens

### Let's Talk about Sexual Orientation & Gender Identity

Join fellow adoptive parents to learn language that will help you better communicate with your teen when you or they want to talk about sex/sexuality. We will discuss terminology like cis gender, gender fluid, binary, non-binary and will review pronouns. We welcome you to bring questions and will create an affirming, non-judgmental space to discuss these important topics.

**Thursday, September 17, 2020**  
**6:30 PM - 8:00 PM EST**

This event will be facilitated virtually via Zoom; registration is required and the fee for this event is \$75 per individual or per couple.
