UNDERSTANDING FEES AND EXPENSES
(Attachment A)

Overview

Spence-Chapin Services to Families and Children (“Spence-Chapin”) is a not-for-profit agency that relies on a combination of fees, grants, and fundraising to support its work in intercountry adoption.

This document is available to the general public, including prospective adoptive parents, prior to application. This document provides a written schedule of expected total fees, estimated expenses, and an explanation of the conditions under which fees or expenses may be charged, waived, modified, or refunded. This document outlines when and how the fees and expenses must be paid. All fees payable to Spence-Chapin (professional service fees) and all Country Program Fees are payable via check, credit card, debit card, money order, or in rare cases where approved by Spence-Chapin via wire. Third party fees are outlined in Addendum A and each third-party vendor establishes its own non-cash method of payment; some third-party vendors may only accept payment via credit card or debit card.

Enclosed, *Addendum A*, at the end of this document are program-specific fee breakdowns specific to each Spence-Chapin adoption pathway, namely:

1. South Africa, local families¹
2. South Africa, networking families²
3. Colombia, local families
4. Colombia, networking families
5. Colombia Heritage, local families³
6. Colombia Heritage, networking families⁴

Whereas the body of this document serves to outline when fees to Spence-Chapin are due and what services are encompassed within the fees to Spence-Chapin, the program-specific fee breakdowns additionally detail third-party fees and anticipated expenses that can reasonably be anticipated in the adoption process but which are not payable to Spence-Chapin, such as travel costs.

All clients will be required to sign an Acknowledgement of Understanding Fees after thoroughly reading this document, *see Addendum B*.

All clients will be required to sign a country-specific Fee Schedule, *see Addendum C*.

¹ “Local Families” are families who resides in New York or New Jersey within 100 miles of Spence-Chapin’s Manhattan office; Spence-Chapin directly provides the home study services as well as the post-adoption visits and reporting for these families.

² “Networking Families” are families who reside outside of New York or New Jersey, or who reside within New York or New Jersey but beyond 100 miles of Spence-Chapin’s Manhattan office; these families are working with Spence-Chapin as their primary provider while concurrently working with a “networking agency” for home study and post-adoption reporting. Networking agencies must sign Spence-Chapin’s Exempt Provider Agreement and operate as an Exempted Provider to Spence-Chapin.

³ Fees are **reduced** for Colombia Heritage clients due to rules and regulations of Colombia’s Central Authority, Instituto Colombiano de Bienstar Familiar (“ICBF”)

⁴ Fees are **reduced** for Colombia Heritage clients due to rules and regulations of Colombia’s Central Authority, Instituto Colombiano de Bienstar Familiar (“ICBF”)

Fees to Spence-Chapin are made in five (5) installments for local families and four (4) installments for networking families, as described later in this document.

Fees within the adoption process can broadly be broken into the following categories:

1. Home study

- a. For Local Families, Spence-Chapin charges a home study fee of \$2,500 which covers the home study (documentation collection, visits/interviews, written home study report). This is payable to Spence-Chapin as the Third Installment for Local Families and is due at the time of the first home study visit. Any home study updates and/or addendums needed during the course of a Local Family's pursuit of a singular adoption process in the same country program are provided at no additional fee.
- b. For Networking Families, this fee will be payable to the networking agency⁵ who conducts home study and any applicable home study updates and addendums. The estimated range of this fee is detailed in *Addendum A*⁶. This is payable to the networking agency (which is acting as an Exempted Provider to Spence-Chapin). The time at which this will be charged to the Networking Family is based on networking agency's policies, but typically is due either at the time of contracting for home study services, or prior to the initial interview. Prior to a client contracting with a networking agency for home study services, Spence-Chapin contracts with the agency identified by the client. At the point of contract, all fees are discussed and disclosed to the client.

2. Adoption expenses in the United States – this includes, but is not limited to, costs for personnel, administrative overhead, communications, any other costs related to providing adoption services (generally referred to as Spence-Chapin's "professional services fees"), legal services, training/education, and other costs related to providing adoption services in the United States.

- a. **Spence-Chapin's Professional Services Fees**⁷ are as follows:
 - i. **\$15,815** for Local Families in the South Africa and Colombia programs (for local families, there are two additional fees payable to Spence-Chapin atop the Professional Services Fees; those two additional fees are a home study fee of \$2,500 and a post-adoption monitoring fee of \$500). Spence-Chapin is charged a Monitoring and Oversight fee from the Accrediting Entity, CEAS, of \$815 multiplied by the number of families who join our adoption programs; to cover this cost, \$815 of the professional services

⁵ A networking agency is defined as an agency that is licensed in the Networking Family's state and which provides specific services (namely home study and post-placement/post-adoption reporting). The Networking Family contracts individually with the networking agency; additionally, Spence-Chapin and the networking agency must sign a contract together (called an Exempt Provider Agreement or a Supervised Provider Agreement) for the purpose of collaboration.

⁶ Addendum B is intended to be comprehensive of known set expenses and possible cost ranges for third party expenses associated with your adoption process; your Spence-Chapin staff members are available to answer questions on these documents

⁷ Spence-Chapin's Professional Service Fees are separate from home study and post-placement/post-adoption reporting fees pursuant to regulations governing fee breakdown explanations (22 CFR 96.40). If you have any questions, please contact Spence-Chapin's international Adoption Department.

- fees represent an offset of that cost⁸.
- i. **\$13,565** for Local Families in the Colombia Heritage program (for local families, there are two additional fees payable to Spence-Chapin atop the Professional Services Fees; those two additional fees are a home study fee of \$2,500 and a post-adoption monitoring fee of \$500). Spence-Chapin is charged a Monitoring and Oversight fee from the Accrediting Entity, CEAS, of \$815 based in the number of families who join our adoption programs; to cover this cost, \$815 of the professional services fees represent an offset of that cost.
 - ii. **\$16,315** for Networking Families in the South Africa and Colombia programs. Spence-Chapin is charged a Monitoring and Oversight fee from the Accrediting Entity, CEAS, of \$815 based in the number of families who join our adoption programs; to cover this cost, \$815 of the professional services fees represent an offset of that cost.
 - iii. **\$14,065** for Networking Families in the Colombia Heritage Program. Spence-Chapin is charged a Monitoring and Oversight fee from the Accrediting Entity, CEAS, of \$815 based in the number of families who join our adoption programs; to cover this cost, \$815 of the professional services fees represent an offset of that cost.
- b. **Parent Preparation and training:** Parent Preparation and training is a crucial component in preparing to adopt. Throughout your pre-adoption process you will receive trainings in multiple ways, including but not limited to: trainings facilitated by Spence-Chapin staff, workshops, readings, and third-party training providers (such as Adoption Learning Partners or Creating a Family). Networking Families might be assigned additional training from their home study agency. Please see *Addendum A* for the a cost estimate of the expected range of fees for parent preparation and training.

Foreign country program fees – this refers to the expenses related to all adoption services that will be provided in the child’s country of origin and includes, but is not limited to, the costs of personnel, administrative overhead, training and education, legal services, communications, and other costs related to providing adoption services in the child’s country of origin. See *Addendum A*, at the end of this document for program-specific fee breakdowns. This fee is refundable in accordance with Spence-Chapin’s refund policy.

3. **Care of the child** – this describes the expected total fees and estimated expenses charged to prospective adoptive parents for the care of the child in the country of origin prior to adoption, including but not limited to, costs of food, clothing, shelter, medical care, foster care services, orphanage care, and any other services provided directly to the child
 - None of Spence-Chapin’s programs require a fee for care of the child.
4. **Translation and document expenses** – this includes the expected total fees and estimated expenses for obtaining any necessary documents and for any translation of documents related to the adoption. This includes, but is not limited to, costs for obtaining, translating or

⁸ On December 1, 2022, the Center for Excellence in Adoption Services (‘CEAS’) assumed its role as Accrediting Entity after being designated by the US Department of State. CEAS published a fee structure, approved by the US Department of State, applicable to all Adoption Service Providers (US Adoption Agencies). This fee schedule requires that adoption service providers, like Spence-Chapin, render payment of \$815 “Monitoring and Oversight” fee to CEAS for each application accepted and approved by Spence-Chapin. CEAS is also requiring an additional \$815.00 payment per child if and when a client family accepts a referral of more than one child. In its efforts to remain child-focused and reduce barriers to international adoption, Spence-Chapin is committed to absorbing the cost of any additional “per child” cost after the initial monitoring fee has been paid. For more information on Monitoring and Oversight fees, please visit the Department of state website [here](#).

copying records or documents required to complete the adoption, costs for the child's court documents, passport, adoption certificate and other documents related to the adoption as well as costs for notarizations and certifications.

- See *Addendum A*, at the end of this document for program-specific expense estimates for this category.

5. **Contributions** – this includes any fixed contribution amount or percentage that the prospective adoptive parent(s) will be expected or required to make to the child protection or child welfare service programs in the child's country of origin or in the United States. An explanation of the use of the contribution will be provided. **None of Spence-Chapin's programs include a contribution.**
6. **Post-Placement/Post-Adoption Reports** – this represents the expected total fees and estimated expenses for any post-placement/post-adoption visits and reports as required by Spence-Chapin and/or the country of origin.
 - a. For Local Families, Spence-Chapin requires an initial post-placement/post-adoption home visit within the first 2-4 weeks of homecoming; that visit is at an effective fee of \$500. For local families, Spence-Chapin then provides all post-adoption visits and reports at the intervals required by the country of origin at no fee to the client. In addition to providing the post-adoption visits and reports at no fee, Spence-Chapin also offers up to three parent coaching sessions with a clinician in the Pre and Post Adoption Services Department at no additional fee during the period of country-required post-adoption monitoring and reporting
 - b. For networking families, the networking agency will have fees payable for the post-placement/post-adoption visits. An estimated range of these fees is provided in *Addendum A*, at the end of this document for program-specific expense estimates for this category. Spence-Chapin does not charge any separate fees for monitoring of post-adoption reporting completed by Networking Agencies. In addition to providing monitoring of the post-adoption visits and reports at no fee, Spence-Chapin also offers up to three parent coaching sessions with a clinician in the Pre and Post Adoption Services Department at no additional fee during the period of country-required post-adoption monitoring and reporting.
7. **Third Party Fees** – this includes, but is not limited to, fees to competent authorities for services rendered or to Central Authorities or governmental bodies for processing fees.
 - a. See *Addendum A*, at the end of this document for program-specific expense estimates for this category. Third party fees are not controlled by Spence-Chapin and may be subject to change without notice.
8. **Travel and accommodation expenses** – this includes the expected total fees and estimated expenses for any travel, transportation and accommodations for prospective adoptive parent(s).
 - a. See *Addendum A*, at the end of this document for program-specific expense estimates for this category. Clients are responsible for all travel expenses for themselves and the adopted child(ren). There are two forms of travel:
 - i. International Travel – Travel expenses include ground and air travel, lodging, and food for one or two trips to the child's country of origin, depending on the country requirements.

Spence-Chapin cannot guarantee or predict actual cost of travel. Factors such as departing city, number of travelers, seasonal cost fluctuation, delays in travel, and/or complications in the adoption process may increase travel costs. International travel costs are estimated in *Addendum A* but are subject to change and are never under the control of Spence-Chapin.

- ii. Domestic Travel – Clients may be required to incur direct travel expenses related to attending in-person trainings at Spence-Chapin’s office, including costs of ground/air travel, lodging, and food. Estimated costs of domestic travel are detailed in *Addendum A*. Spence-Chapin cannot predict or control the actual cost of travel. Clients will be responsible for making their own domestic travel arrangements if necessary. Factors such as departing city, date of purchase, number of travelers, seasonal cost fluctuation, delays in travel, etc. may increase travel costs. These costs are subject to change and are never under the control of Spence-Chapin.

9. Medical Expenses

- a. For the prospective adoptive child(ren) – See *Addendum A* for cost estimates. Adoptive families are required to have a (local) physician with expertise in evaluating foreign medical records to review the records of the prospective adoptive child before accepting a referral. Client(s) is responsible for costs related to this consultation. This cost should be paid directly to the physician conducting the review. In addition, the US Department of State requires a medical exam before issuing the child a visa. Adoptive families should anticipate medical expenses for the initial examination of the adoptive child and for any necessary vaccines and/or treatment of medical concerns. Fees vary based on country and child’s needs, again see *Addendum A* for cost estimates. These fees are paid to the US Consulate and other healthcare entities in the child’s country of origin as necessary.
- b. For clients - clients and all household members are required to get a medical examination as part of the home study process. Ongoing requirements for updated medicals may apply based on country and state requirements. Clients in the Colombia Program are also required to undergo a psychological evaluation in the United States as part of their dossier submission to Colombia, which may cost approximately \$1,500 (depending on insurance coverage and provider costs). In addition, Spence-Chapin strongly encourages clients to comply with the Center for Disease Control’s [recommendations](#) for pre-travel check-ups, vaccinations, etc., which may cause clients to incur additional medical expenses.

Special Services

No part of Spence-Chapin’s professional services fees are used to fund any separate program or provide any special services such as cultural programs for adoptee(s), scholarships, or other services.

Procedures for Transferring Funds to Foreign Countries

Any fees owed to foreign providers must be paid through Spence-Chapin. Upon receipt of an invoice from Spence-Chapin’s foreign supervised provider, Spence-Chapin will invoice the client for the amount requested. The client will be asked to pay funds to Spence-Chapin and Spence-Chapin’s finance department will wire the funds to its foreign supervised provider. These processes are in place to minimize, if not eliminate, the need for prospective adoptive parents to pay for

adoption services in the country of origin via cash. If prospective adoptive parents are asked to make any unexpected cash payment within the country of origin, they shall immediately inform Spence-Chapin's Director of International Adoption so that determination can be made about the appropriateness of the cash payment. Any fees outlined in *Addendum A* which are categorized as Country Program Fees must be paid through Spence-Chapin as pass-through fees. These fees are subject to Spence-Chapin's refund policy whenever services paid for are not rendered.

Fee Increases

Spence-Chapin will not increase any fees paid to Spence-Chapin during a client's adoption process (i.e. from signing the Adoption Agreement to completion of Post-Adoption reporting). Country fees or fees to third parties (such as USCIS), however, may change without prior notice to Spence-Chapin or the client. In the event that additional fees and expenses are incurred in the country of origin or by third parties, those fees and expenses will only be passed on to the client under the following circumstances:

- i. *With notice*: whenever possible, Spence-Chapin will disclose any additional fees and/or fee increases to clients in writing prior to a fee change; or
- ii. *Without notice*: under very limited and urgent circumstances, such as in a case where a child needs emergency medical services, Spence-Chapin may be required to make a decision as to whether or not to incur costs and expenses on behalf of and for reimbursement by the clients. Whenever possible, Spence-Chapin will attempt to give notice and obtain consent for additional costs and expenses before they are incurred. All clients will be required to sign a Notice of Unanticipated Expenses (*Addendum D*) at the beginning of the adoption process, so that in the event of emergency expenses, Spence-Chapin will be prepared to act in accordance with the clients' expectations.

Spence-Chapin provides receipts to the prospective adoptive parent(s) for fees and expenses paid directly by the agency in the foreign country and keeps copies of such receipts.

Refund Policy

Refunds are available for Spence-Chapin's Professional Service Fees and Foreign Country Program Fees whenever services not rendered and will be granted within sixty (60) days of the completion of the delivery of services. Refunds will be issued by check. Fees to Spence-Chapin are payable in installments; each installment covers the costs of services happening at that stage of the process. Refunds are available on a pro-rated basis for services not rendered. The prorating is described within each installment description below.

First Installment for Local and Networking Families (\$2,815)

Second Installment (\$4,500 for Local Families¹⁰ and \$5,000¹¹ for Networking Families)

Local Families (\$4,500)

This fee installment is due at the completion of Spence-Chapin’s facilitated trainings and covers the following:

1. Parent preparation trainings facilitated live by Spence-Chapin staff; this training is provided in seven modules covering topics which include but are not limited to: attachment, trauma, grief/loss, discipline and behavior management, transracial parenthood, talking about adoption, and the impact of adoption on child development and identity development. Additionally, during this training series, Spence-Chapin brings in a pediatrician who is an expert in international adoption medicine to facilitate a module on common medical needs. The training also encompasses a moderated panel of parents who are parenting through international adoption to discuss adjustment challenges, bonding/attachment issues, share experiences of travel and navigating post-adoption resources. Following completion of the training, the Director of International Adoption has a meeting with the family to discuss their experience learning about adoption themes, discuss how the training may have informed their child request characteristics, assess further training needs, and plan next-steps in their adoption process.
2. Individual case service planning, which includes review and execution of a written Service Plan.

⁹ On December 1, 2022, the Center for Excellence in Adoption Services (‘CEAS’) assumed its role as Accrediting Entity after being designated by the US Department of State. ¹¹ \$4,500 for Colombia Heritage Networking Families

Pro-Rated Refund Policy for the Second Installment – Local Families

Because this fee is collected upon completion of Spence-Chapin facilitated trainings, there is not a scenario in which a client(s) would have paid for the training and not received that service, so item 1 of this fee is **non-refundable**¹². Additionally, case service planning and an executed Service Plan will occur in all cases before a client's attendance at the trainings, and therefore again no scenario would exist in which a client has submitted this installment but not received case service planning, so item 2 of this fee is **non-refundable**.

Additionally, case service planning and an executed Service Plan will occur in all cases before a client's attendance at the trainings, and therefore again no scenario would exist in which a client(s) has submitted this installment but not received case service planning, so item 3 of this fee is **non-refundable**. If the client discontinues the process for any reason after one or more home study interviews but before the home study report is written, a pro-rated refund of \$833.33 will be available. WAYS TO DEFRAY COSTS

Spence-Chapin makes every effort to help reduce financial barriers for families wanting to adopt. Spence-Chapin's professional services fees are broken to installments reflective of the services being rendered at that stage in the process. Spence-Chapin assesses fee waivers and reductions based on what services are required to be rendered on the case; for example, for clients who initiated their adoption process with another Adoption Service Provider and then transfer to Spence-Chapin, Spence-Chapin will assess the fee schedule based on what services Spence-Chapin must render on the case and will waive any fees for services that Spence-Chapin does not have to render based on milestones achieved in the case prior to transfer to Spence-Chapin.

Income-based financial aid can be assessed on a case by case basis.

Below is a non-exhaustive list of financial resources Spence-Chapin families have utilized in the past. Inclusion in the list is for informational purposes only and does not indicate endorsement.

**Your Adoption Finance Coach* – Spence-Chapin collaborates with “Your Adoption Finance Coach,” an organization that provides financial resources and coaching to adoptive families. Spence-Chapin's clients have free access to this service and can find out about it on the Spence-Chapin [website](#) or by contacting an adoption team member at info@spence-chapin.org or 212-360-0300.

**Adoption Tax Credit* (www.adoptiontaxcredit.org) – The adoption tax credit, which can be claimed for eligible adoption-related expenses, has helped thousands of American families offset the high cost of adoption since the credit was established in 1997. The credit applies to all types of adoption (except stepparent adoption), including international, private domestic, and foster care. Speak to your accountant, Your Adoption Finance Coach, or an attorney for more information.

**Employer Adoption Benefits* – A family's employer may offer adoption funds as a part of their benefits. Please refer to Dave Thomas Foundation for a list of companies providing adoption benefits: <http://www.davethomasfoundation.org> or contact your HR department.

**Helpusadopt.org* – Founded by two adoptive parents, helpusadopt.org provides the opportunity for families to apply for adoption grants for specific costs (i.e. program fees).

**Resources4adoption* (www.resouces4adoption.com) – Provides adoption financing education, information, resources and tools for prospective adoptive families.
